get more from your dental plan

Having good dental care is not only critical to your health. It's a foundational part of something you use everyday – your smile.

With a DVH PPO plan from Allstate Health Solutions, you'll have plenty of reasons to smile. Adults 55 and older get access to the extensive Aetna Dental® network, with 89,000 providers nationwide. So it's easy to find someone close to home. And plans are designed to help pay for routine care, with built-in access to the benefits and savings that are most important to seniors. Plus, there are no waiting periods and three coverage options, so you'll get immediate access to the plan that is just right for you.

DVH PPO plan highlights:

- Covers preventive, basic, and major services¹ from day one, with network discounts for covered services.
- Annual maximums increase in year two of the plan.
- Benefits for dentures on Level 2 and Level 3 plans; benefits for implants on the Level 3 plan.
- Savings on hearing-based care through Amplifon Hearing Health Care included on all plans.
- Offers optional vision coverage from Avēsis, with two plans to choose from.
- Select benefits increase in year two of the plan.

Passive network states: Mississippi, Texas and Virginia

These states give members access to the same in-network discounts. But no deductible or co-insurance differences will apply if you choose an out-of-network provider.

¹ Major services only offered in plan Level 2 and Level 3.

The plan does not meet the pediatric dental coverage level requirements as mandated by the Affordable Care Act. Pediatric dental coverage that meets the Affordable Care Act's coverage level requirement may be purchased through your state's marketplace or your insurance agent.

This insurance provides limited benefits, if you meet the policy conditions, for expenses relating to the specific services listed in the policy. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

pick the right plan for you

And smile, your benefits double in year two.

All three DVH PPO dental plans cover, or help pay for, routine dental procedures – including exams and cleaning. And with no waiting periods, you’re covered day one.
